From the Chairman of the Board

On behalf of the Indian Wells Chamber of Commerce and our many business partners, we welcome you to experience all that our city has to offer.

Our city boasts four world class resorts, relaxing spa facilities, award winning golf courses, international tennis tournaments and many fine dining establishments. At the center is the IW Club which is open to all with its dining, meeting facilities, desert views and friendly atmosphere.

The Indian Wells Chamber of Commerce is unique in that we not only cater to the local business community but also have a social membership for individuals.

Our events and mixers allow our members to not only connect business to business, but also directly with our residents. In addition, we like to personally meet with our members' one on one to help them set up connections that they would like to create with other members but have not had the opportunity to do so on a favorable basis yet.

Whether you are shopping at our specialty shops or boutiques, enjoying the many wonderful restaurants, or just needing the day to day services of a cleaner or plumber, we invite you to use our guide as your primary business resource and to consider our members for all your needs. The businesses have invested in our lovely community and the Indian Wells Chamber of Commerce and deserve your support. And when you visit them, be sure to let them know you got their names from this guide.

Please stop by and let us know how we can help you.

Indian Wells Thrives!

An exceptional city prospers with outstanding strategic planning and devotion to sustainable growth.

Indian Wells, California has long been recognized as one of the premier residential/resort destinations in North America. Within a two-hour drive of Southern California's famed beaches and ski resorts, Indian Wells boasts 350 days of sunshine, an average annual temperature of 74 degrees, phenomenal sports facilities, four luxurious resort hotels, and widespread amenities for residents and guests alike.

Indian Well's vibrant transformation began more than 60 years ago when savvy developers spearheaded the construction of two legendary leisure communities - the Eldorado Country Club and Golf Course, and the Indian Wells Country Club and Golf Course. In 1957, Hollywood icons Lucille Ball and Desi Arnaz opened the Indian Wells Hotel (now the Indian Wells Resort Hotel); three years later, golf legend Arnold Palmer won the first Bob Hope Desert Classic. To the pride of its residents, Indian Wells was incorporated as California's 400th city on July 14, 1967 with Mayor Pete Peterson at the helm.

Indian Wells first City Council laid the groundwork for the community's inimitable quality of life. During Mayor Peterson's term, the Erawan Garden Hotel (now the site of the Miramonte Resort & Spa) was constructed. During the latter years of the 20th century, Indian Wells' first shopping centers, Village I and II were built; the Indian Wells Golf Resort, Vintage Club and Desert Horizons Country Club opened; The Living Desert Zoo and Botanical Gardens was established; and the Indian Wells Tennis Garden, home of the prestigious BNP Paribas Open and Indian Wells Arts Festival was constructed.

Today, thanks to the enduring vision of City Council, resort partners, business owners and many involved residents, Indian Wells continues to adeptly balance growth without sacrificing the superb lifestyle resi-

dents have cherished for decades. Many vacationers opt to purchase first or second homes in the community, captivated by the city's broad appeal.

As always, smart growth and development continue to be a priority for City Council. Indian Wells now boasts a number of upscale residential communities, as well as an affordable senior housing complex with excellent amenities including a clubhouse, computer center, pool and fitness facilities. The revitalized Indian Wells Golf Resort, VUE Grille & Bar and new Pavilion offer a peerless venue for golf, dining, entertainment and special events. The recently completed expansion of the Indian Wells Tennis Garden wowed tennis fans at this year's BNP Paribas Open with its new Stadium 2, fine restaurants and many more state-of-the-art upgrades.

City residents also have access to one of the top resident benefit programs in the nation, and the city's attractive business climate steadily draws entrepreneurs, retailers and commercial enterprises to the community. Local government remains wholly dedicated to preserving the city's quality of life. To this end, City Council is carefully analyzing commercial property available for future use to ensure development adheres to the city's overall blueprint for growth.

Add to this comprehensive law enforcement and emergency services, a broad spectrum of conservation-oriented programs, easy access to first-rate medical care and academic institutions making 92210 one of the most desirable zip codes in the United States in which to live and visit.

Tourism, Resort & Spas

Since hosting the BNP Paribas Tennis Tournament, Indian Wells has become globally renowned. Our tennis stadium is the second largest in the world. It's built on 89 acres and has 16,100 seats and 22 courts. Combine that with our sunny blue skies, sensational temperatures and world class golfing, Indian Wells has become a choice destination. The city boasts four awesome resorts and spas.

THE HYATT REGENCY INDIAN WELLS RESORT and Spa is a sparkling oasis situated on 45 acres.

Throughout the gardens and palm trees are two 18 hole championship Golf Courses; tennis; workout facilities; poolside cabanas and the **AGUA SERENA SPA AND SALON**. There are convention and wedding facilities located on the beautiful grounds. The hotel has 530 newly renovated rooms enhanced with an advanced purification system to allow clean and hypoallergenic air.

THE AGUA SERENA SPA AND SALON located on the grounds next to the workout facility is state-of-

the-art. The spa is operated in conjunction with a professional, medical skin clinic. The spa offers body treatments, massage, facials, makeup and all hair treatments including cuts, color and styling. All your senses will be heightened as you walk into the spa. flowering bougainvillea surrounding the pool located in the central patio. This makes a beautiful backdrop to a wedding or group function. Guests can play golf at the Indian Wells Golf Resort.

THE WELL is the spa within the Miramonte. You will be pampered with facials; massages; body and beauty treatments; scrubs and wraps, finding yourself in a world of splendor.

THE INDIAN WELLS RESORT HOTEL pays homage to the days when the original hotel was founded by

Lucille Ball and Desi Arnaz. Frank's Place is the lounge where you can dine, enjoy drinks and hors d'oeuvres and be entertained like the old Sinatra Days. The guest rooms were all renovated in 2010 and accommodations are available for meetings and banquets. Guests can play golf at the Clive Clark Celebrity Course.

World Affairs Council of the Desert

Even though the world seems obsessed with various and sundry celebrity pratfalls, and sleazy affairs, the World Affairs Council of the Desert has loftier concerns. The non-profit organization has been luring experts to the Coachella Valley to expound on global issues. The monthly gatherings are sold-out social and educational affairs one Sunday evening a month October through May. The speaker/dinner events are held at the Renaissance Esmeralda Indian Wells. The mission is to engage and educate adults and students about international affairs through our speaker series and our support of an active youth program. The Academic World Quest program provides an annual and national competition enhancing student knowledge of the world we live in. Our youth is our most precious asset. Our exciting new season begins on October 26, 2014 with our first speaker/dinner featuring Secretary Karen Ross, Secretary of Agriculture, State of California. Ross will speak on “Agriculture: National Security & Global Trade Policy”. In light of the Coachella Valley’s major contribution to the state’s agriculture industry, this topic provides insight on our agricultural position, both nationally and globally.

For details on the additional programs being offered for the 2014-2015 season please visit our web site at www.worldaffairs.org or contact us at 760.322.7711.

Arts & Entertainment

It's not only the BNP Paribas Tennis Tournament that brings people to our valley, but following the tennis in March are two notable music festivals during April. The first is the Coachella Music Festival located at the Empire Polo Club in Indio. The second is the Stagecoach Country Music Festival in the same location. These festivals attract the hottest talent and attendees from everywhere.

The same can be said for the state-of-the-art McCallum Theatre for the Performing Arts in Palm Desert that holds 1,125 seats and spotlights top performers from across the globe.

Another popular attraction is the Desert Town Hall of Indian Wells. Recent speakers include Jeb Bush; Dr. Sanjay Gupta; Margaret Thatcher; General Norman Schwarzkopf; Condoleezza Rice; President George Bush; Senator Bob Dole; General Colin Powell; John Walsh; Israeli Prime Minister Benjamin Netanyahu; Leon Panetta and Karl Rove. The Palm Springs Film Festival is one of the largest in the country attracting an audience of more than 90,000 each January. There are more than 200 films from some 60 countries.

The Palm Springs Art Museum is an educational institution showcasing art, natural science and performing arts through exhibitions; collections and programs. It also houses the Annenberg Theatre. The museum has recently added a second location in Palm Desert.

The Palm Springs Air Museum is a vast hangar filled with World War II aircraft. You may meet some of the actual pilots who flew them. All of the aircraft are kept in working order and can still be flown. The Living Desert in Palm Desert is a zoo and a botanical garden where they preserve and grow endangered species of flora and fauna. You can ride a train and view wild animals as well the desert gardens. For children 5 to 9 years is the Children's Discovery Museum. Children will be entertained for hours with all the interactive exhibitions.

Take a 10 minute Tram ride from Palm Springs up to the San Jacinto Mountains and view the valley floor. When you arrive, there is a small museum and theatre which kids enjoy and a cafe. Don't forget a sweater; there could be snow when you get there.

This is the last year for The Follies in downtown Palm Springs where the senior dancers will knock your socks off. The show features music, dancing and comedy. It changes and spotlights different talent so the show can be seen more than once.

Dining

The Indian Wells' residents are discriminating diners and there are many selections of restaurants to choose from.

There's a reason why **THE NEST** has been a success for 45 years. The cuisine is unprecedented and the piano bar and dance floor provide an exceptional night club atmosphere. New owners, Dodi and Kevin Henry have remodeled, but kept the high standards and ambiance that this club is known for.

The beautiful Santa Fe- style building aglow with luminaries is **VICKY'S OF SANTA FE**. The food is American with delicious chops, seafood and steaks. Vicky's has a congenial bar and a piano lounge where Jazz concerts are performed.

At the corner of Highway 111 and Cook you'll find the **EUREKA** which serves a variety of burgers, salads, sandwiches and fish tacos with a full bar. You can eat indoors or on the covered patio.

LA BRASSERIE BISTRO & BAR is authentically French and will not disappoint. You can sit inside the bistro-style restaurant or eat on the patio and feel like you're in France. Start your experience with the Brasserie Fries that are the thin (pommes frites) topped with Parmesan, parsley and truffle oil.

LAS CASUELAS QUINTA is a beautifully decorated Mexican restaurant. Go hungry because the portions are big. The atmosphere is lively and the food is good.

THE MIRAMONTE HOTEL has **The Grove Artisan Kitchen**. There you will find an exhibition kitchen featuring "Farm to Table" Mediterranean Cuisine from organic produce seasoned with herbs from

their organic garden. You'll also have "heart healthy" choices. The Grove serves breakfast, lunch and dinner in a beautiful indoor or outdoor setting. You can also enjoy wine, appetizers and sandwiches in the **Vineyard Lounge**.

Within the **HYATT REGENCY** is the **Lantana Restaurant**. It's contemporary, California Cuisine with the addition of French and Italian items which can be enjoyed in the temperature-controlled terrace. You can watch the chefs in the open air kitchen as they prepare items with a special twist to make them just a little more tasty. They serve breakfast, lunch and dinner. **Roadrunner Cafe** serves snacks, sandwiches and salads poolside and the **Oasis Pool Bar** serves sparkling, refreshing drinks among the swaying palms. **The Citrus Marketplace and Café** offer teas, coffees, sandwiches and special treats. The Agave Sunset lobby bar offers Southwest food and drink.

THE RENAISSANCE ESERALDA HOTEL has an impressive Italian Restaurant named **Sirocco**. The pastas and breads are all hand-made, in-house as is most everything else on the menu. Also, you'll find the **Cava Restaurant** which features a selection of food for any craving. **The Glo Lounge and Glo Sushi** offers a tempting sushi menu. There is also the **Café Biscotti** and pool bar.

Within the **INDIAN WELLS RESORT HOTEL** is **Frank's Place** in the lounge of the hotel. They serve breakfast, lunch and dinner. The menu is varied with Southwest; Thai; Italian; pizza; steak and seafood. In the evenings you'll be entertained by the very talented Frank DiSalvo. His show will take you back to the old "Rat Pack" days.

**The Nest cuisine is unprecedented
and the piano and dance floor provide
an exceptional night club atmosphere.**

Shopping

THE VILLAGE shopping center in Indian Wells is a “one stop shopping” experience. Located on Cook Street and Highway 111, you’ll find a blend of specialty shops and restaurants, Ralph’s Grocery Store and CVS Pharmacy.

Among the varied shops are: a dentist; chiropractor; nail salon; hair salon; mailbox store; jeweler, optician; frame shop; florist; stationary stores; clothing stores; hearing aid store; health food store; a modeling agency and a dry cleaner who does alterations. You’ll also find two beautiful home furnishing stores. Don’t miss the Desert Home and Candle Gallery for unique items that make impressive gifts. You’ll be inspired just walking through the store and smelling the candle scents and finding artistic designed artifacts. Be sure to stop by “Kitchen Kitchen” where you will find all kitchen utensils and cooking needs along with

kitchen gadgets you never dreamed existed. You can also take a cooking class.

“The Village” houses two women’s fashion boutiques and a menswear shop with unique clothing not found in the usual department stores. They offer casual sportswear as well as formal evening wear.

When it comes to eating, the Village houses your choice of flavors and taste such as Mexican and Italian. If you like burgers, sandwiches and beer then Eureka Burgers is a definite stop.

A little further down the road in Palm Desert is “El Paseo” which is a Palm Tree-lined street filled with art, shops, restaurants and bars. It’s a beautiful street to walk, but if you prefer, you can hop a jitney to drop you off at your destination along the promenade.

The right club for your lifestyle.

79-795 Hwy. 111 • La Quinta, CA 92253 • (760) 342-0655

If you like flea markets and food markets, there are plenty in the desert. You'll find a large outdoor air market located on the campus of the College of The Desert. There you can purchase locally grown fruits, nuts and vegetables as well as handcrafted jewelry, clothing, toys and furniture. They are open on Saturdays and Sundays from 7am – 2pm. You can buy breakfast or lunch there from any of the many food vendors.

If you like outlet malls, go West on the #10 Freeway about 25 minutes to Cabazon. You'll find every outlet you can think of. There are some fast food restaurants nearby as well as a food court in the mall. You'll need sustenance to get through all the buildings.

For those who enjoy bargain shopping, a fun experience in the desert is to visit the many consignment stores up and down Highway #111. There are many treasures to be found including unique furniture, clothing, shoes and jewelry.

A new look can be a beautiful thing.

Healthcare Facilities

Indian Wells' residents have access to three major hospitals. The first is the **EISENHOWER MEDICAL CENTER** in Rancho Mirage which has been recognized in many fields. Among those are oncology, cardiovascular and orthopedic services; the Annenberg Center for Health Sciences; the Barbara Sinatra Children's Center and the acclaimed Betty Ford Center. Eisenhower Center has been recognized as one of the top 100 medical facilities in the United States. It is a not-for-profit-hospital. The generosity of donors has provided the needed financial support. It's an accredited teaching hospital specializing in family medicine and internal medicine. Besides the main campus where the hospital is located, you'll find various "Urgent Care" facilities throughout the valley.

JFK MEMORIAL was originally called the Indio Community Hospital, but it has since grown and like Eisenhower, it features 24 hour emergency care; orthopedic and joint replacement services; sports medicine program; cardiovascular services; maternity care and pediatric services; ambulatory surgery center; imaging services and outpatient rehabilitation.

DESERT REGIONAL MEDICAL CENTER in Palm Springs offers a comprehensive array of services that include: Emergency/Trauma Services, Comprehensive Cancer Center, Institute of Clinical Orthopedics and Neurosciences, Bariatric Specialists, Joslin Diabetes Center, El Mirador Imaging Center and inpatient and outpatient rehabilitation services. In addition, Desert Regional has expanded three of its clinics to the La Quinta Medical Center at 47647 Caleo Bay: Comprehensive Cancer Center, Institute of Clinical Orthopedics and Neurosciences, and La Quinta Imaging.

Health Care Services

Within our city is an outstanding medical clinic called **WELLMAX** where people travel from all parts of the world to be treated. The clinic was founded by Dr. Dan Cosgrove, a former emergency room doctor. Dr. Dan Cosgrove and his staff analyze every major system in your body and will create a complete medical portfolio for you (including a flash drive for easy accessibility to your health information).

The clinic maximizes wellness with early detection of disease long before symptoms appear. If your health is important to you and you want to be pro-active; make an appointment at the clinic on Club Drive in Indian Wells. (The clinic was formerly located in the La Quinta Resort). You will not feel like a “number” here. You will get personalized, detailed testing and information.

Adjacent to **WELLMAX** is **DESERT MEDICAL AESTHETICS** operated by Dr. Dorianna Cosgrove. This is the most updated facility for skin care and cosmetic treatments. Dr. Dorianna Cosgrove does painless injectable fillers. She uses a blunt tip cannula which is usually one simple injection rather than multiple and painful pricks of the needle. She has a vast knowledge of non-invasive cosmetic procedures using dermal fillers and lasers. *(See front - inside cover for more details)*
