From the Chairman of the Board

On behalf of the Indian Wells Chamber of Commerce and our many business partners, we welcome you to experience all that our city has to offer.

Our city boasts four world class resorts, relaxing spa facilities, award winning golf courses, international tennis tournaments and many fine dining establishments. At the center is the IW Club which is open to all with its dining, meeting facilities, desert views and friendly blob:file:///44b313f6-1585-441a-bb80-5c72b0c93acb atmosphere.

The Indian Wells Chamber of Commerce is unique in that we not only cater to the local business community but also have a social membership for individuals. Our events and mixers allow our members to not only connect business to business, but also directly with our residents. In addition, we like to personally meet with our members' one on one to help them set up connections that they would like to create with other members but have not had the opportunity to do so on a favorable basis yet.

Whether you are shopping at our specialty shops or boutiques, enjoying the many wonderful restaurants, or just needing the day to day services of a cleaner or plumber, we invite you to use our guide as your primary business resource and to consider our members for all your needs. The businesses have invested in our lovely community and the Indian Wells Chamber of Commerce and deserve your support. And when you visit them, be sure to let them know you got their names from this guide.

Please stop by and let us know how we can help you.

Sincerely,

Daniel B.G. Levine

A little further down the road in Palm Desert is "EL PASEO" which is a Palm Tree-Lined Street filled with art galleries; boutiques; restaurants and bars. It's a beautiful street to walk, shop and people-watch. You will find a lovely paseo of shops anchored by SAKS FIFTH AVENUE. On Thursday evenings, **VILLAGEFEST** is a street fair in downtown Palm Springs. You'll find similar wares and food trucks there. It starts at sundown, but parking can be difficult since they cordon off part of the main street.

Real Estate

Indian Wells is located 15 miles of beautifully manicured landscaped properties surrounded by beautiful mountains. The city uses non-potable water to maintain the landscape during our recent water shortage. There are six gated communities in the city:

THE INDIAN WELLS COUNTRY CLUB
EL DORADO COUNTRY CLUB
DESERT HORIZONS
TOSCANA COUNTRY CLUB
THE RESERVE
THE VINTAGE CLUB

Eighty Five percent of the city is gated with fifty eight Homeowners Associations.

Indian Wells is renowned as a California resort city and has been since the beginning of the twentieth century. A majority of our tax base comes from the Transient Occupancy Tax derived from our four Five Star Resorts & Spas. We have a large healthcare influence along with Banking; Financial Advisors; Law Firms; Restaurants; Postal Services and Retail Operations.

As a property owner in Indian Wells, residents can play golf for nominal fee at the **INDIAN WELLS GOLF RESORT**. **THE CLIVE CLARK CELEBRITY** and the **JOHN FOUGHT PLAYERS COURSE** are both championship regulation 18 hole courses. The property owners also receive a generous 20% discount in all resort restaurants within Indian Wells. Along with free tickets to the infamous **BNP PARIBAS OPEN**. This two week event usually draws well near half a million people. Another nice property owner 'perk' is resident gatherings with prestigious community organizations.

The city's year round population has increased due to the beauty, convenience, sunshine and the strong sense of community that abounds in the city. Parts of Highway 111, has been expanded to accommodate our new residents and visitors.

"What a lifesaver A#1 services are. We happened to be out of town and had guests staying in our Desert home for the weekend. When the couple arrived they found the living space had been flooded. A#1 was able to handle the situation and our guests were able to enjoy their holiday without much interruption.
We were able to handle the payment over the phone. They made a potentially disastrous weekend "Easy Pease"
Jackie

"There isn't anyone else we trust. I've attempted to take on projects alone, only to make things worse, now I just save myself the time and money and call A#1 Service heroes with all of our heating and A/C needs."
David

"As a property manager in the area, I rely heavily on a company that can get a job done. I need to be able to call on someone who has the availability and knowledge to help with the project that day. I have been able to consistently rely on A#1 which is why I need not go anywhere else. Ever!" Lori
